05/25/2022

My commission expires: Nov. 17, 2025

Notary Public: 

#### PUBLIC NOTICE TRAIL IMPROVEMENT PROJECT AT CAVITT'S CREEK PARK TAZEWELL COUNTY, VIRGINIA

Tazewell County, Virginia is proposing to improve the existing trail system and install bathroom facilities at Cavitt's Creek Park in Tazewell County, Virginia. The project area currently has a trail system of approximately ten (10) miles and two (2) campsites. The Virginia Department of Conservation and Recreation (DCR) is providing partial grant funding through the Recreational Trails Program to Tazewell County, who owns Cavitt's Creek Park. The funding would be used to construct an American with Disabilities Act (ADA) accessible trail approximately three-quarters of a mile (0.75 miles long); ADA-compliant bathroom facilities; and conduct maintenance on nine and seven-tenths (9.7) miles of the existing trail system around Cavitt's Creek/Lake Witten. The proposed project may result in short-term minor impacts to the environment including noise, air quality, recreation, visual setting, and soils. There would be long-term beneficial impacts to the Tazewell County and the surrounding region due to the proposed improvements.

Tazewell County has prepared a Categorical Exclusion (CE) in compliance with the National Environmental Policy Act and DCR's Recreational Trails Program to describe the project and the potential impacts on the environment. A copy of the CE is available for public review upon request at the Tazewell County Administration Building, located at 197 Main Street, Tazewell, VA 24651.

Written comments on the proposed project and its potential environmental effects should be addressed to Mr. Kenneth E. Dunford Jr., Tazewell County Director of Engineering, at 315 Court Street - 3rd Floor, Suite 318, Tazewell, VA 24651 and postmarked no later than June 21, 2022.

A public meeting will be held on June 28, 2022 at between 7:00 PM and 8:00 PM at the Tazewell County Administration Building, located at 197 Main Street, Tazewell, VA 24651 to provide information and obtain public input. There will not be a formal presentation; the format of the meeting is open-house style, so please attend at any point during the scheduled time.

Please contact Mr. Kenneth Dunford Jr. at (276)-385-1254 or [kdunford@tazewellcounty.org](mailto:kdunford@tazewellcounty.org) for any questions or further information regarding the project.

Per Order of the Tazewell County Board of Supervisors  
C. Eric Young -  
Tazewell County Administrator
