

QUESTIONS RECEIVED/ANSWERED: NOVEMBER 14, 2024

- (1) Does the County want this to be based on Lump Sum or T&M basis?
Lump Sum Firm Pricing.
- (2) Is the pipeline to be classified as natural gas distribution or transmission?
Distribution
- (3) Is there a timeframe that the project is to be completed within?
Construction to begin in Spring 2026.
- (4) Is the diameter of the pipeline already determined?
6".
- (5) Is there a preferred installation method – trench or HDD?
Most likely trench but final determination is up to the contractor.
- (6) Is there a % goal for WBE, SBE, etc. for this project?
Unknown.
- (7) How much ROW and easement acquisition should be assumed?
Very little. Project will use mostly VDOT ROW but winning contractor can offer suggestions.
