Mr. Dunford provided a list of IT equipment that is being removed from service as part of the updates that are being performed on our current network. He asked that the items be approved for surplus to allow the items to be either be discarded or sold on the www.deals.gov website. The Chairman asked that the list of items be made a part of the record of this meeting. A copy is available at the County Administration Office, 197 Main Street, Tazewell, Virginia 24651.

Upon motion of Supervisor Presley, seconded by Supervisor Gillespie and adopted by a vote of 5 to 0, with all members present and voting in favor thereof and no one against the same, the Tazewell County Board of Supervisors hereby approves the list of IT equipment for surplus and sale or discard.

Convenience stations

Supervisor Gillespie asked Mr. Dunford to evaluate the Thompson Valley convenience center and see if there could be an additional dumpster there or whether the current arrangement might be altered for better use. Mr. Dunford advised he will need to confer with Capital Watse regarding the matter.

Brian Earls precinct update

Mr. Earls approached the Board with a request to move the Mundytown polling location. He stated that issues have arisen with the current Mundytown polling location regarding availability of the portion of the building used on Election Day. Mr. Earls' office has secured a convenient alternate location ¾ miles from the current location, which is a new building and ADA compliant.

Supervisor Cruvey asked Mr. Earls whether there is a location more central to the Baptist Valley area. Mr. Earls stated that the new location is merely ¾ mile from the old location and has a better building and parking area than the current location.

Upon motion of Supervisor Cruvey, seconded by Supervisor Presley and adopted by a vote of 4 to 0, with all members present, Supervisor Gillespie abstaining and no one against the same, the Tazewell County Board of Supervisors hereby approves holding a public hearing in March and April 2025 regarding moving the Mundytown polling location to Adria Road.

County Attorney, Chase Collins, confirmed with Mr. Earls that these requested changes do not cause any voter to travel more than 20 minutes to their respective polling location nor are there any inconveniences to Mr. Earls' office staff.

The County Administrator recommended that a rental/lease agreement be in place for each polling location prior to actually making the move.

Mr. Earls explained that the current Amonate polling location presents some safety concerns regarding a slick surface at the entry of the building and other issues of disrepair regarding the building, which is now only used as a polling location. He stated there is also considerable expense for the telephone requirement at that location. Mr. Earls suggested that the Amonate polling location be closed and voting be diverted to the Bandy location and the Mundytown location, based upon where the Amonate voters' residence is located. He stated that there is no additional travel time or distance for the Amonate voters.

Supervisor Cruely asked if other locations within the Amonate community could be considered, particularly church buildings. Mr. Earls responded that parking areas at the churches are some distance from the buildings themselves.

Upon motion of Supervisor Cruely, seconded by Supervisor Presley and adopted by a vote of 5 to 0, with all members present and voting in favor thereof and no one against the same, the Tazewell County Board of Supervisors hereby approves holding a public hearing in March and April 2025 regarding moving the Mundytown polling location and closing the Amonate polling location and divert Amonate voters to Bandy and Mundytown polling locations.

PROCLAMATION

Whereas, March is American Red Cross Month, a special time to recognize and thank our heroes - those who volunteer, donate blood, take life-saving courses or provide financial donations to support an organization whose mission is to help those in need; and

Whereas, we would like to remember those who help all of us here in the County of Tazewell by giving their time to help their neighbor and thank our heroes - our volunteers, blood donors, class takers and financial supporters who help us assist those in need; and

Whereas, in the County of Tazewell, the Red Cross works tirelessly through its nine employees and 640 volunteers to help when disaster strikes, when someone needs lifesaving skills or the comfort of a helping hand. It provides 24-hour support to members of the military, veterans, and their families, and provides training in CPR, aquatics safety, and first aid; and

Whereas, across the country, the American Red Cross responds to nearly 70,000 disasters a year. It provides some 400,000 services to military members, veterans and civilians, collects and distributes about 40 percent of the nation's blood supply and trains more than seven million people in first aid, water safety and other life-saving skills every year; and

Whereas, our community depends on the American Red Cross, which relies on donations of time, money and blood to fulfill its humanitarian mission. Despite these challenging economic times, the American Red Cross continues to offer help and comfort to those in need.

NOW, Therefore, on behalf of the Board of Supervisors of Tazewell County, Virginia and all our citizens I do hereby proclaim the month of March 2025 as American Red Cross Month and I encourage all Americans to support this organization and its noble humanitarian mission:

IN WITNESS WHEREAS, I have set my hand and caused the seal of the County of Tazewell to be affixed on this 4th day of March, 2025.

Presented this the 4th day of March, 2025.

Dear Friend of 4-H:

Tazewell County is proud to continue the tradition of summer camping at the Southwest Virginia 4-H Center located in Abingdon, Virginia on July 21-25, 2025. We provide an enriching and educational summer experience for local youth. We are excited to have the opportunity to camp with youth from Dickenson County to gain a memorable 4-H Camp experience. We plan to take more than 125 campers, teen counselors, and adult volunteers on an incredible five-day, four-night adventure! I hope that you will be able to help support this positive experience for Tazewell County youth by helping make the cost of camp more affordable for everyone.

We offer the best value for one's dollar in comparison to numerous other residential camps in the area. Each child's 4-H camp fee is all-inclusive for lodging, meals, transportation, afternoon and evening programs, daily swimming and recreation, and nearly twenty skill-building classes. Total camp price for this year is \$245.00 per camper. Each camper is required to pay the \$50.00 deposit and then are eligible to apply for a camper scholarship to cover the remaining \$195.00 fee.

In the most recent information available, youth gain multiple benefits from 4-H camp such as experiences in the areas of leadership, character development, self-esteem, decision-making skills, independent living skills, and citizenship. We are working hard to increase youth social skills and independent living skills, reduce the often-described nature deficit disorder amongst youth, and increase movement and exercise in the great outdoors in an effort to address childhood obesity problems. Thank you for your consideration of our request for camper scholarships!

Dear Mr. Gillespie and Mr. Cruvey:

On behalf of the Tazewell Baseball Program, I am writing you to request a donation from your district funds for baseball equipment and cleats for the Tazewell Varsity, JV, and Middle School baseball teams for the 2025 baseball season which is quickly approaching. The first official day of practice for baseball and softball teams in Virginia was Monday, February 24th and games will start a few weeks after that. Our baseball players have been working hard since pre-season workouts started several weeks ago and we have a dedicated group of young men in the program.

According to our records, \$750.00 was allocated from the Southern District Fund and \$750.00 was allocated from the Northern District Fund in 2023 for baseball equipment and cleats for the Varsity & JV teams, as well as for the Middle School baseball team.

We would greatly appreciate it if you could provide the same donation to assist with the purchase of baseball equipment and cleats for the Tazewell Varsity, JV, and Middle School baseball teams. Thank you very much for your past and current support of the Tazewell baseball program and the players who participate from Middle School through 12th grade.

We sincerely appreciate all of the help and support that you always provide to the Tazewell baseball program. Thank you in advance for your consideration of this financial request. Please let me know if you have any questions or if you need further information regarding this donation request.

Sincerely,

Brandon McDaniel
THS Head Baseball Coach
