TAZEWELL COUNTY, VIRGINIA

Request for Bids

2026-2027 Bituminous Asphalt (Plant Mix)

The Board of Supervisors of Tazewell County Virginia will be accepting sealed bids from qualified contractors to perform asphalt overlay paving with Bituminous Asphalt (Plant Mix) on various County maintained roads.

All those interested in bidding on the Bituminous Asphalt Overlay Schedule must attend a **mandatory** pre-bid conference meeting scheduled for **2:00 pm on May 29, 2026** in the Tazewell County Court House, 135 Court St, Suite 318, Tazewell, Virginia, 24651. A package containing additional information, including road lists, quantities, and locations will be handed out at that time.

Bids must be received no later than **2:00 pm on June 16, 2026** at which time the bids will be opened in the Tazewell County Engineer's office. The envelope must be clearly marked "**Plant Mix Bid**" and addressed to **Kenneth Dunford Jr. Director of Engineering 135 Court St, Suite 318, Tazewell VA 24651**. Questions concerning the bid or pre-bid conference will be responded to by emailing kenneth.dunford@tazewellcounty.org. The Tazewell County Board of Supervisors reserves the right to waive any informality, to reject any and all bids if it appears in Tazewell County's best interest to do so, and accept only that bid deemed to be in the best interest of Tazewell County, Virginia.

Per order of the Board of Supervisors

By: C. Eric Young, County Administrator

NOTICE TO BIDDERS

The Board of Supervisors of Tazewell County, Virginia is currently accepting sealed bids from qualified contractors to perform asphalt overlay paving with Bituminous Asphalt (Plant Mix) on various roads in Tazewell County.

GENERAL INFORMATION

I. A **responsible** bidder shall:

1. Provide proof that they are a licensed contractor in the Commonwealth of Virginia ✓
2. Provide proof of liability insurance in the amount of \$1 Million Dollars ✓
3. Pledge that they are in compliance with all workers compensation laws of the Commonwealth of Virginia ✓
4. Provide a list of equipment available for -use on this project ✓
5. Provide proof of bidder's corporate status where applicable. ✓

II. A **responsive** bid will state the price for the materials and labor for performing the improvements indicated on the attached bid sheets for each lot, based on the length, width, and estimated tonnage indicated.

ACKNOWLEDGEMENT BY BIDDER

Bidder acknowledges that the following will be incorporated by reference into the Contract awarded.

1. A contract will be awarded for each lot
2. Bidder assumes the responsibility of locating the road to be improved and incorporating any mobilization costs related to the bid
3. Bidder will proceed with the project within 10 days of the Notice to Proceed
4. The County reserves the right to reject any and or all bids
5. Bidder will submit an invoice to the county upon completion of each lot. The county will pay for work after completion in accordance with the Prompt Payment Act
6. The roads have been marked for paving and if the bidder cannot find the markings it is the bidder's responsibility to contact the Engineering Department to Verify the locations
7. Tazewell County will not pay for any work that does not have written authorization from the- County Administrator or his designee
8. Completion of work shall be finished no later than **September 8, 2026**. Failure to meet this deadline will result in liquidated damages of \$100 per day per uncompleted lot.

I have read and understand the proceeding Bid Qualifications. I agree that any contract I am awarded for this project will be subject to these terms.

AAA Paving and Sealing, Inc.
Contractor

FIELD NARRATIVE

This project shall consist of furnishing and placement of Bituminous Asphalt (Plant Mix) overlay pavement on existing roadways and milling surfaces in accordance with the requirements of the Current Virginia Department of Transportation Road and Bridge Specifications and in reasonably close conformity with the lines, grades, and thickness as established by the schedule of work shown in the contract or as directed by the Engineer.

Traffic control is to be in accordance with the current Virginia Work Area Protection Manual.

TECHNICAL INFORMATION

1. Paved roads call for the application of one and one-half inches (1½") of compacted Bituminous Asphalt (Plant Mix) Overlay, unless otherwise noted
2. Gravel roads call for the application of 2-inch (2") of compacted Bituminous Asphalt (plant mix) Overlay unless otherwise noted
3. Measurements for the road shall be taken from edge of road surface to edge of road surface average widths are shown on provided lot descriptions and maps
4. Type of asphalt - SM-9.5AL
5. Milling must be done at all joints/transitions and paved driveways
6. Adequate crown shall be provided to allow for proper drainage
7. Tonnage tickets with the following information shall be provided to the Tazewell County Director of Engineering or his designee for each load of material used
 - Signature of Certified Weight Person
 - Date
 - Truck Number
 - Load Number
 - Plant Name
 - Size and Type of Material
8. The project manager shall be responsible for reconciling copies of tonnage tickets with those provided to the Tazewell County Director of Engineering or designee at the completion of each road
9. Siltation control measures shall be applied to erodible material exposed by any activity associated with construction, including clearing or grubbing, but not

limited to local materials sources, stockpiles, disposal area, and haul roads and shall be functional before land-disturbing activities take place

10. Lot 1 Pipe Replacement:

- Remove Existing Pipe
- Replace with a new corrugated metal (or comparable material) pipe that matches the diameter of the existing pipe
- Cover new pipe a minimum of 12" using combination of #1 stone and 21b stone with a minimum of 4" of 21b's
- Armor as needed
- See lot below for paving specifications
- Bidder must bid on both (as shown in lot 1) to be considered for this lot

11. Milling material must be removed from site and taken to a disposal area. The contractor is responsible for securing a disposal area. Millings may be brought to the Tazewell County Landfill.

Following is a list of each street for which bids are sought where a length and average width for roads for varying widths. It is the contractor's responsibility to verify the widths. All measurements are to be taken from edge of road surface to edge of. The bids should incorporate the following:

Bidder shall submit a price per ton applied for each lot. Bidder shall tabulate and submit a total price for each lot.

Tazewell County reserves the right to remove roads from lots.

All questions must be submitted in writing, preferably email, by 6 June 2025. All answers will be provided to the attendees of the pre-bid meeting.
